

11 September 1978

CENTRAL INTELLIGENCE AGENCY  
National Foreign Assessment Center  
Office of Imagery Analysis

MEMORANDUM FOR: NFAC Executive Officer

FROM : Alternate Document Control Officer, OIA

SUBJECT : OIA Search for Sensitive Documents Published During  
1975-1977

1. As you requested OIA has conducted a file search and attached here are listings, copies of the distribution, and copies of Forms 211 (Attachments 1 through 58) which identify those OIA documents which were, or may have been disseminated to the Operations Center during 1975-1977.

2. Attachment 1 lists those Imagery Analysis Monthly Reviews, as they are now called, published during the period of interest and has a standard distribution included.

3. Attachment 2 is a listing of OIA-originated reports which may have been disseminated to the Operations Center for OIA by the Special Center for CIA distribution.

4. Attachments 3 through 44 are copies of distribution lists for memoranda sent to the Operations Center or DDS&T Watch Officer.

5. Attachments 45 through 58 are copies of Forms 211 which identify briefing boards and vu-graphs sent to the Operations Center most probably for "hold and pick up".

6. Questions regarding this memorandum and attachment may be directed to me on extension [REDACTED]
